

WELCOME TO STELLAR TRIATHLON COACHING

- Do you have a goal in mind but are not sure how to get there?
- Are you tired of getting injured all the time?
- Do you follow a generic program that isn't right for you?

If so, Stellar coaching may be what you need. Here's how coaching will benefit you:

- Have every session mapped out in detail using the worlds best training software
- Can be coached from anywhere in the world, remotely accessible service
- Receive an individualised, versatile program that is right for you
- Receive timely feedback on your training sessions & progress
- Boost your motivation & accountability
- Avoid injury, overtraining & plateaus
- Build a partnership with a coach who is responsive, knowledgeable & invested in your success
